RENTAL AGREEMENT

The Friends of Attleboro Animal Shelter (FAAS) is a 501(c)3 non-profit, all-volunteer organization, who donates our time and hearts to the Cats and Dogs in Attleboro and surrounding communities. We are committed to nurturing and promoting the animal-human bond and creating a community where our relationship with companion animals is guided by compassion. Our dedication and commitment is achieved through adoptions, community awareness, fostering and caring for companion animals until loving homes can be found. Our Vision is to reduce the number of unwanted animals through community Spay and Neuter programs, Low Cost Vaccination Programs and Micro-Chip events all while raising awareness and promoting responsible ownership. We are deeply committed to these goals while ensuring the financial security and stability of the organization for future generations. Each year, hundreds of abandoned companion cats and dogs looking for a second chance in life were successfully placed in loving homes through adoptions facilitated by FAAS. FAAS works hand-in-hand with the City of Attleboro Animal Shelter. Through their cooperation, we are able to help many more animals than city funds could provide
